空條承太郎

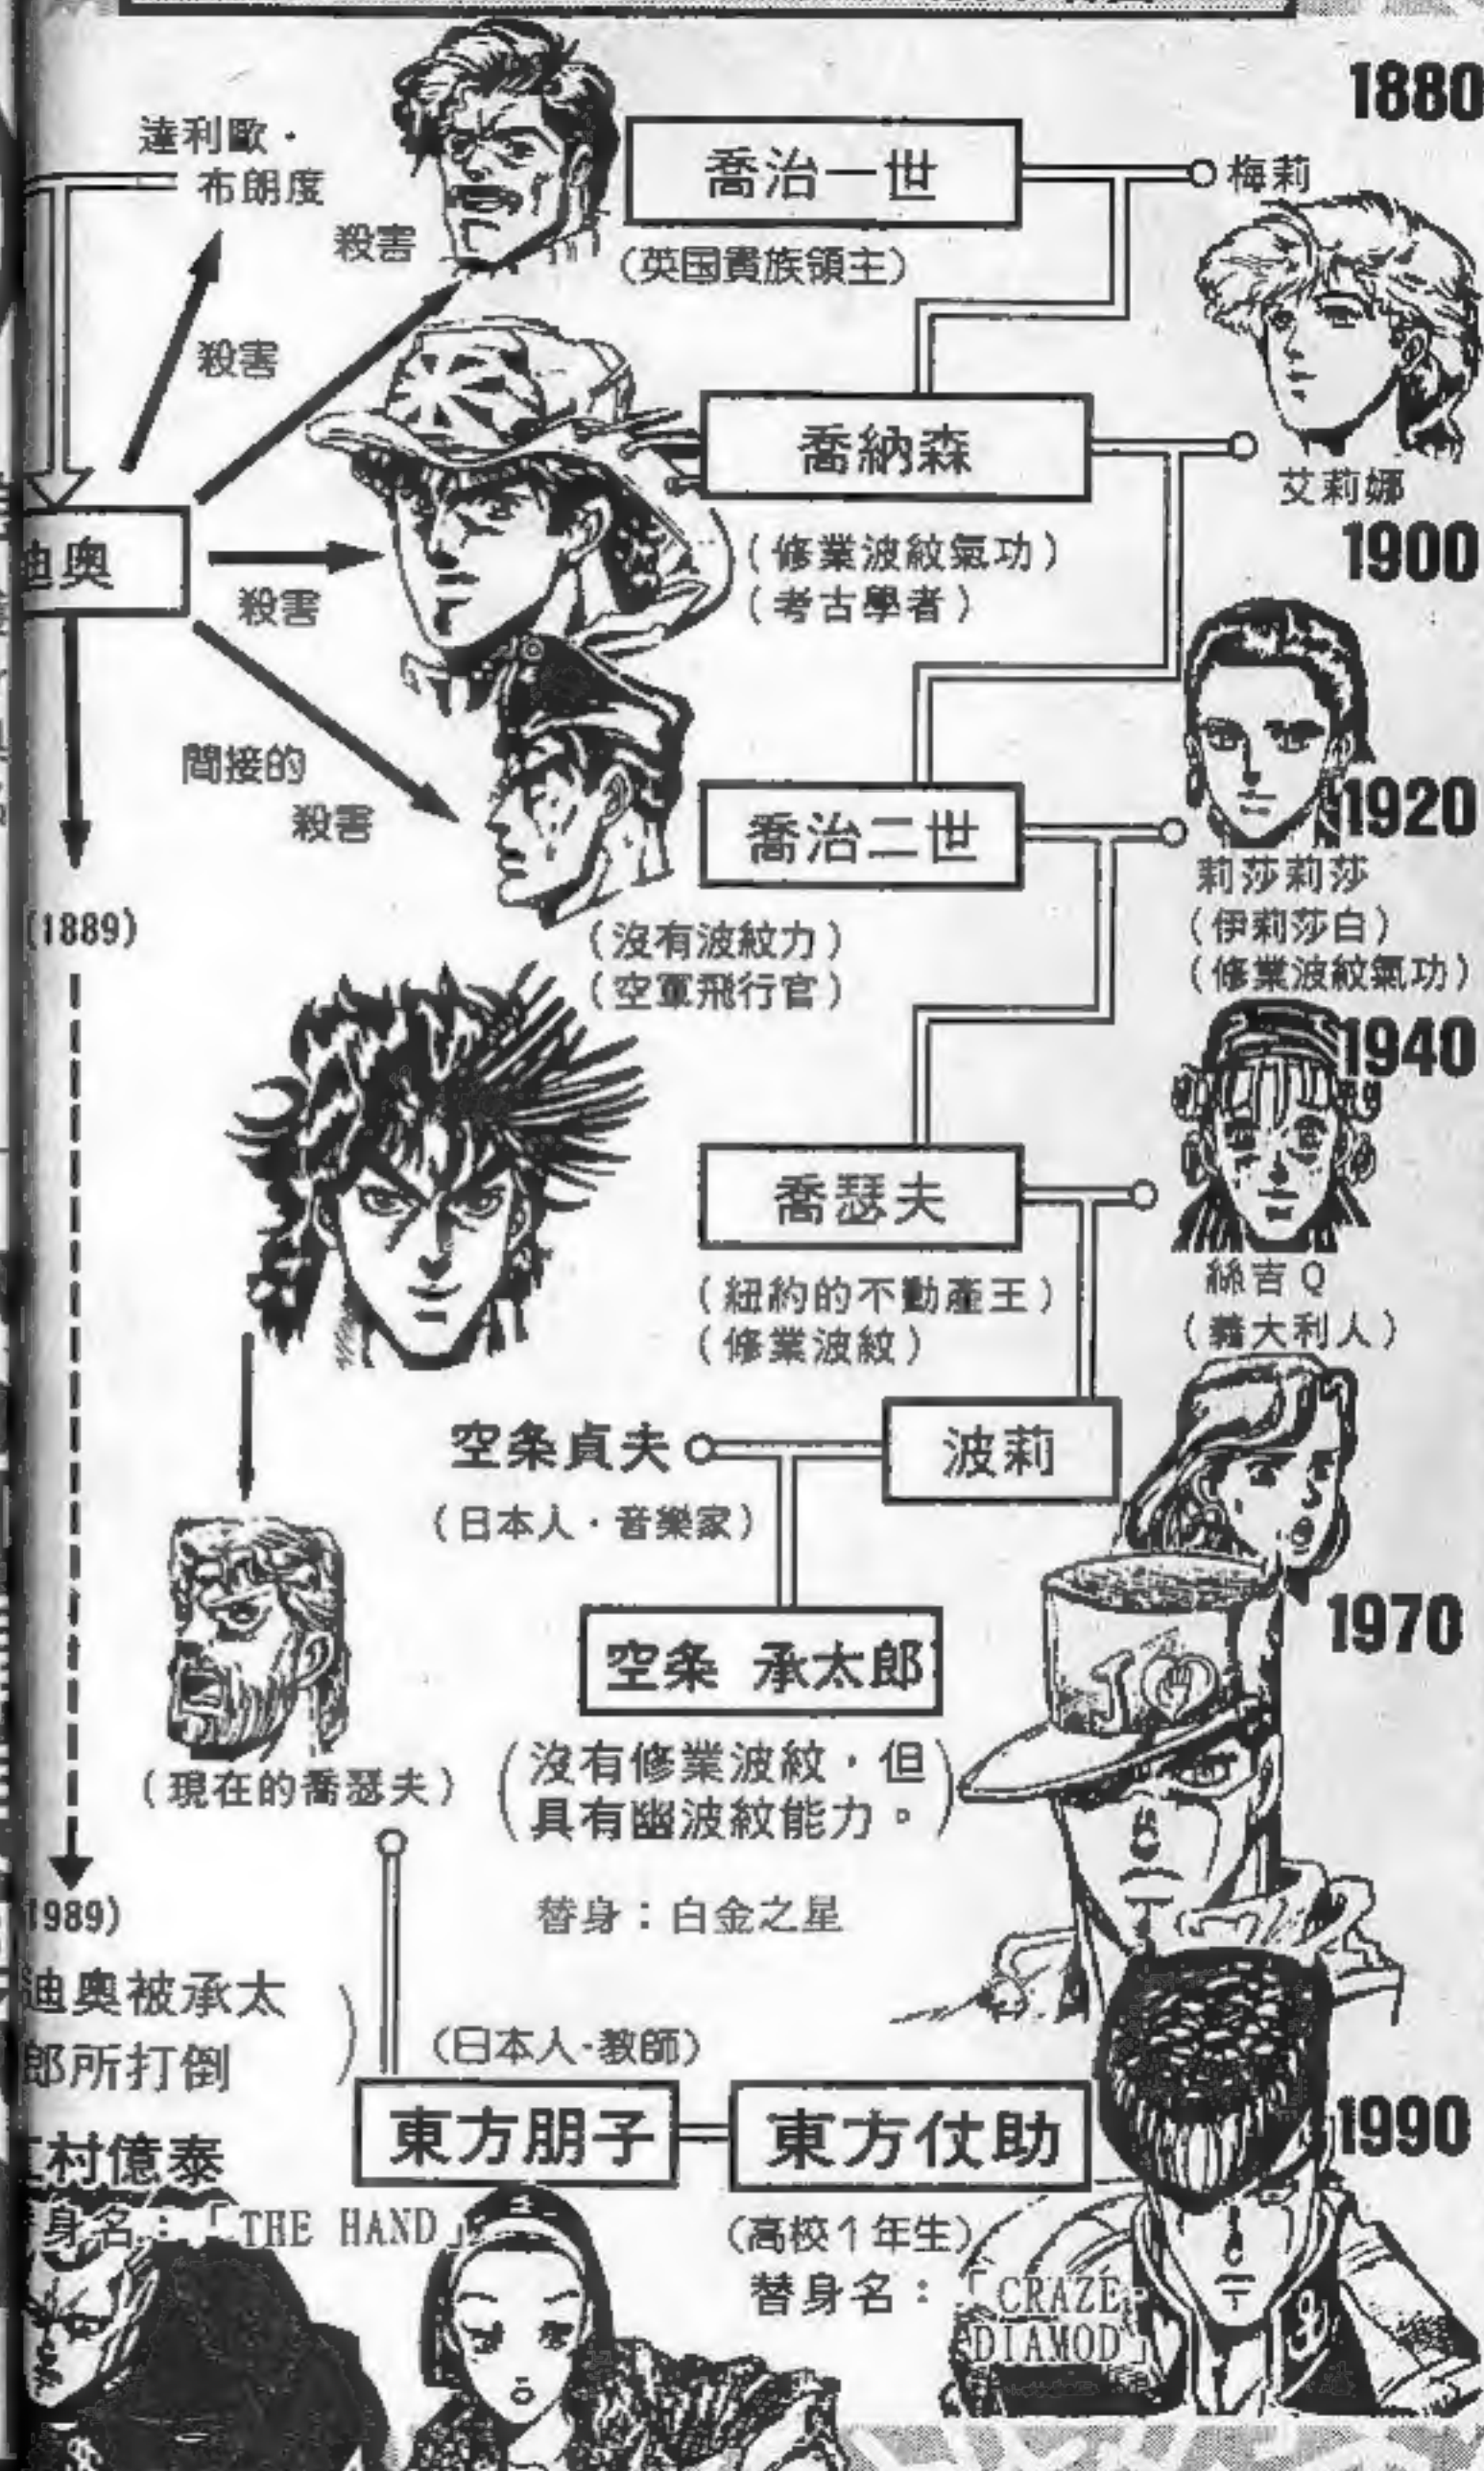

具有類似守護靈的超能力替身。在他打倒迪奧之後，成為有名的海洋冒險家。

岸邊露伴的冒險 之其③

哇

USE YOUR
ECHO ACT TO
FLY AHEAD
AS A
PROBE!

it was
her!

what blocked
echo act from
getting in the
air was

Stop talking
just fly up

USE YOUR
ECHO ACT
KOICHI!

呀

哇

This is the
bridge
between living
and the dead
world

you guys
are compatible
with my wave
length, so you
can come in

You entered the
place I died 15
years ago...

HURRY
AND RUN
KOICHI!

啊

Why is there
a wall in
the sky!?

what kind
of wall
is this?

!?

Koichi!

What you
doing on the
floor!

嗯?
?

you...
your body
flew to
the sky...
didn't
feel it?

啊!

唔—
唔—

轟—
轟—

!!

嗯?

!?

啊

you guys must be mistaken!

fight?

How do we fight against a ghost?

Ghost....

There is only 1 way to get out of here

Only I know it.

I am not kidding

I flew up?

why is my echo on the floor?

哇

唔!

Don't treat me like a demon! I am not trying to hurt you guys. You don't have to worry!

Wait!

we are not enemies

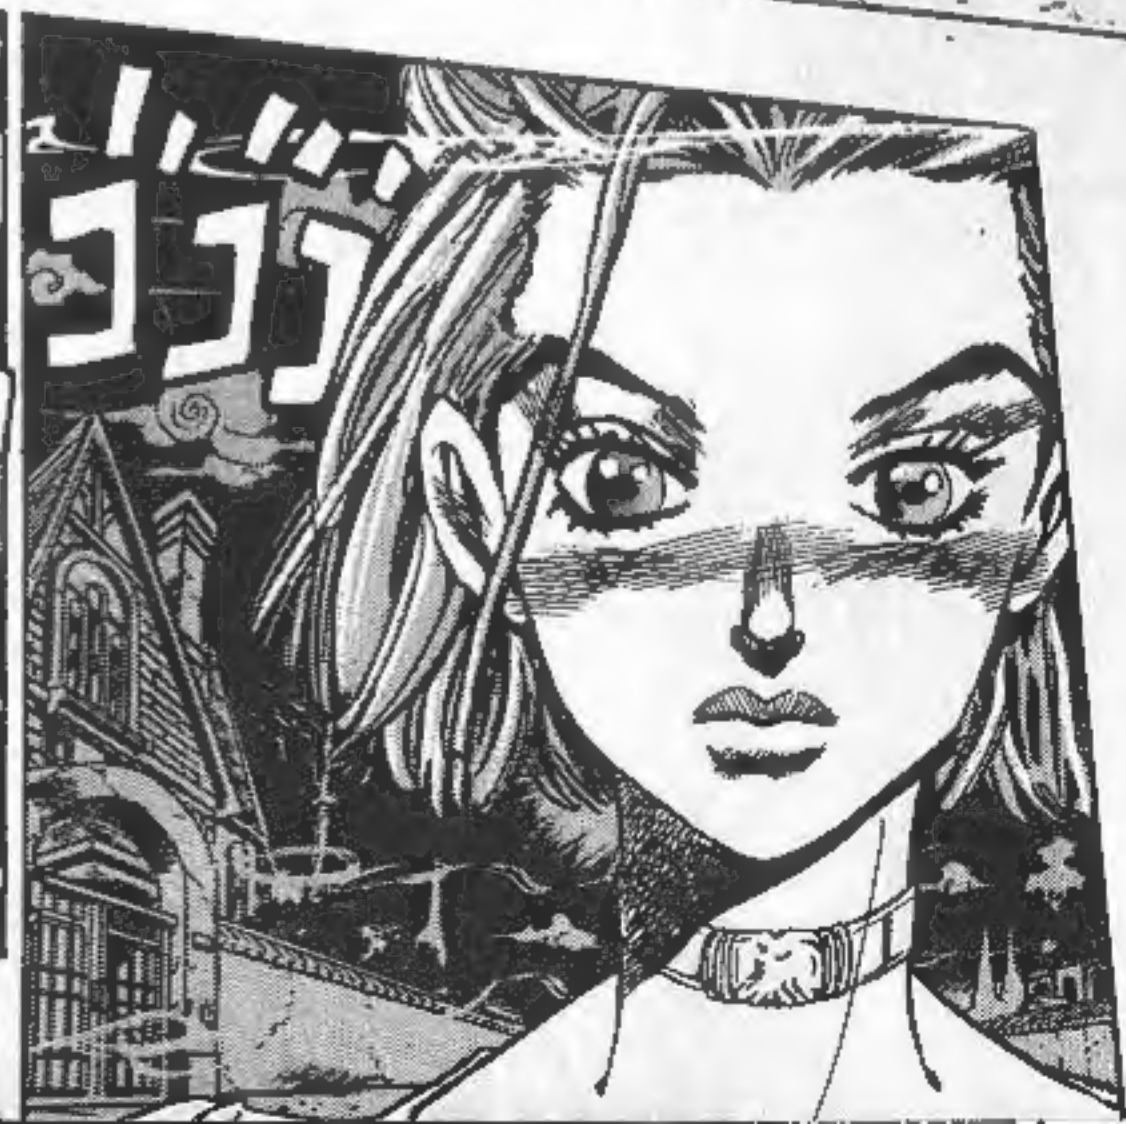

Please don't take control of my body!

you hear that? the ghost said "we are not enemies"

not enemy?

I was trying to escape in the dark

before I can get a good look at his face, I got a cut on my back

he was from here. Duwang

My murderer, he was never caught

I didn't lock you guys in here, this is right on the edge between life and death.

only extraordinary people can enter here

you guys must have supernatural abilities,

We sure hope so...

sure

you are really not the enemy?

I don't know...

is there anything like this

edge of the world?

It's what I said just now, the story about us getting killed

but, you have to listen to my story.

Why do you worry so much? if you want to get out of here, I will tell you how.

story?

I always try to keep my composure, I am sorry that you guys were murdered...

Koichi, shut up for now...

MR...

hey, why do we have to do this?

We are not your families nor your friends!

but you can't lock us in here just because you want vengeance.

I suggest you go to "your world" and behave like a good honest ghost.

your murder case was put away for 15 years now...

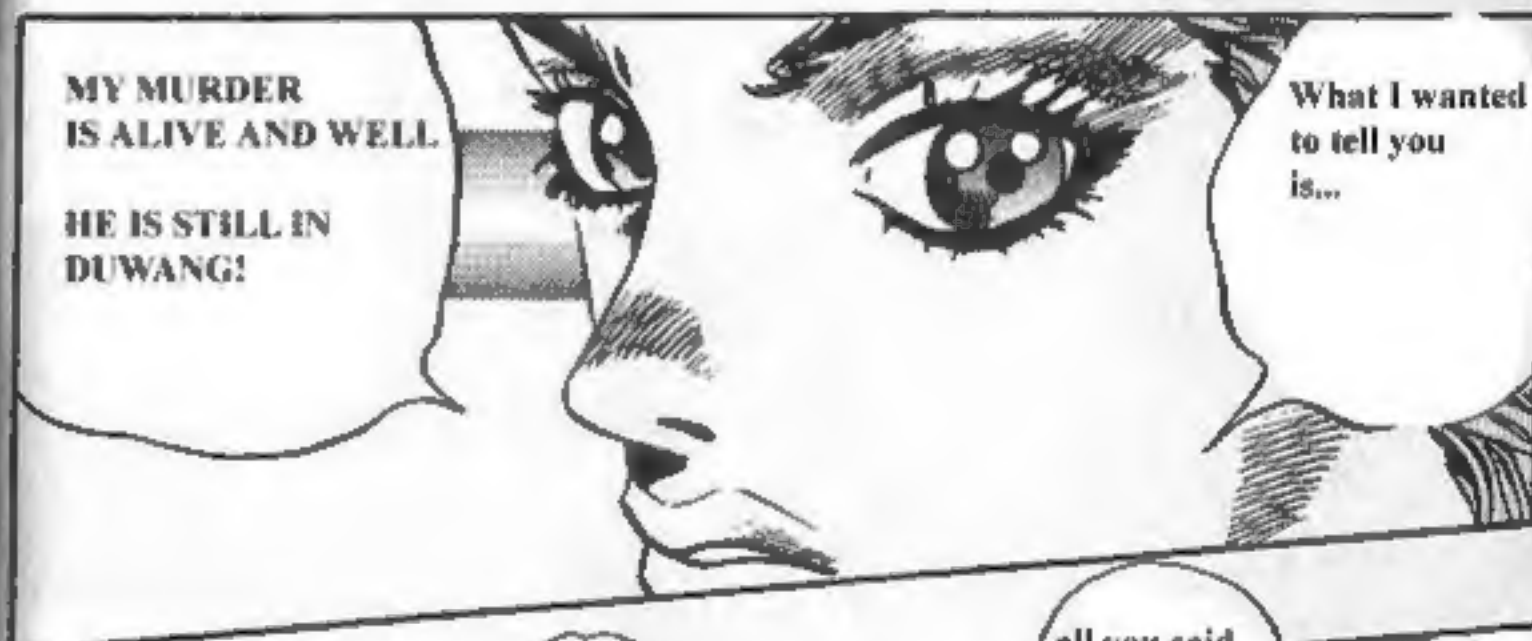

your murderer...

this passed 15 years I have been trying to tell people my story, but nobody can see or hear me, you guys are the first ones.

I am bounded here. I can never leave this place.

Is he still alive?

MY MURDER IS ALIVE AND WELL.

HE IS STILL IN DUWANG!

What I wanted to tell you is...

no.

do you know how many teenage girls in Duwang are missing?

But I want someone to go report it to the police, let the police find the killer

I didn't ask you guys to go catch him

all you said is true?

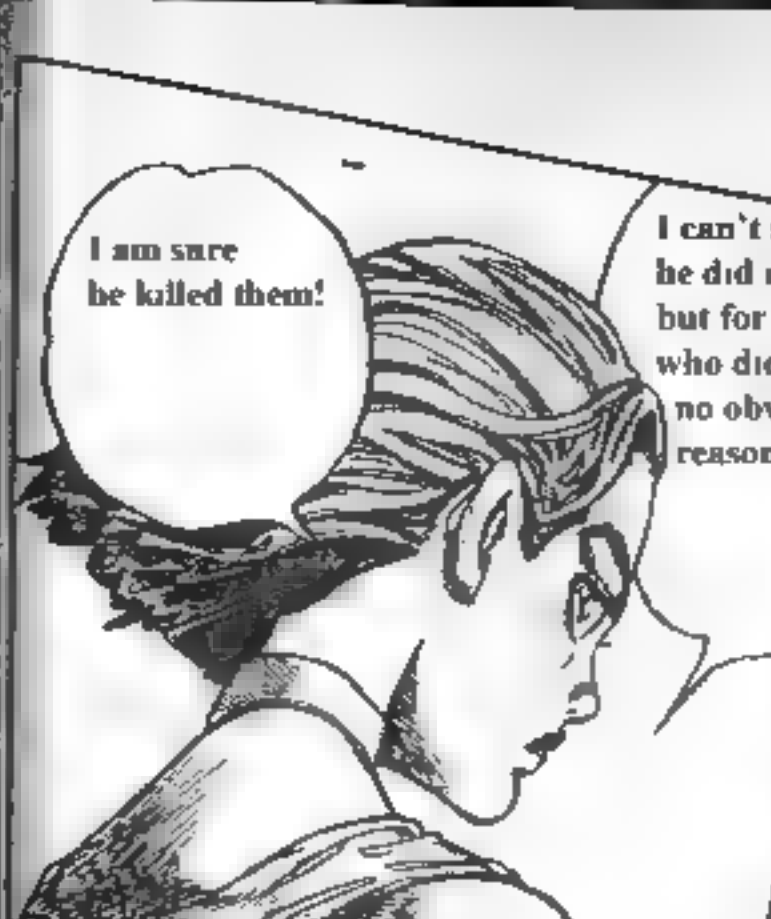

maybe... you are trying to convince us to go catch your killer?

wait a sec

THEY ALL HAVE
THE SAME
WOUND
AS ME!

BECAUSE I CONSTANTLY
SEE THOSE GIRLS' GHOSTS
FLYING BY !!

I am sure
he killed them!

I can't say
he did it all
but for girls
who died for
no obvious
reasons.

but duwang's
teenage girl
missing rate is
8 times the
national
average.

I know!

I've seen
"criminal's
story"
outside at
Owson's.

HEY! DON'T LIE! YOU HAVEN'T
SEE THE KILLER YOURSELF AND IT'S
BEEN 15 YEARS. HOW DO YOU KNOW
HE'S STILL IN DI WANG AND HOW
CAN YOU BE SURE HE IS STILL
KILLING?!

WAIT! YOU MEAN
THERE ARE CONSTANT
KILLINGS HAPPENING
IN DI WANG? EVEN
TODAY?

this is terrible
this is the dark
side of Duwang.

there have
been innocent
teenage girls
killed for the
past 15 years

the town
of Duwang

where I
grew up.

Only if that killer is
caught, Duwang's
"killers' town" name
can be erased!

Otherwise there will
be more innocent lives
lost! I am here not able
to do anything but watch.
Who's he planning to
kill now?!

Must stop that
killer from
killing again!

so deep...

陪

THIS...

I can't fly up in to
the sky and talk
to them, but I can
see them

I know how
that guy
kills

THIS MUST
BE DONE!!

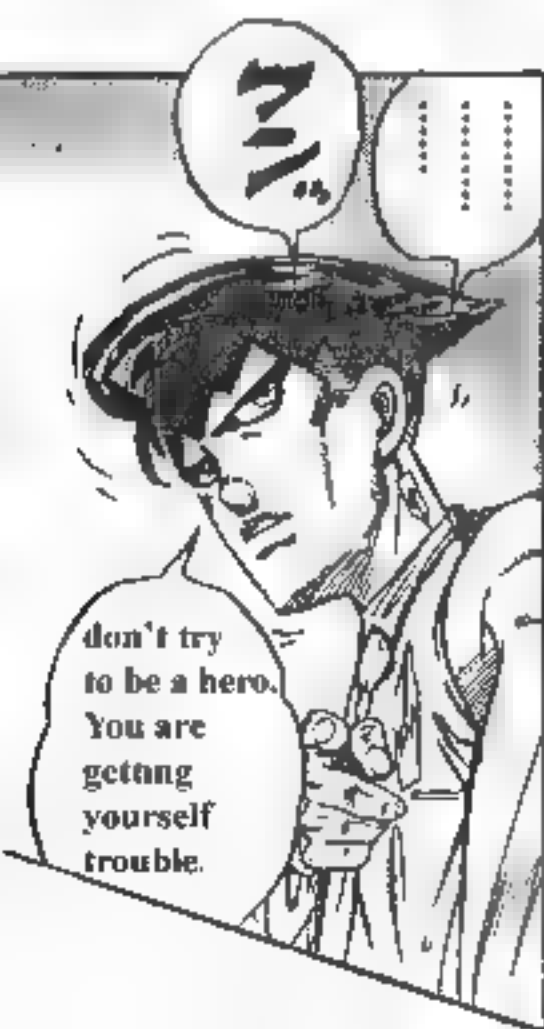

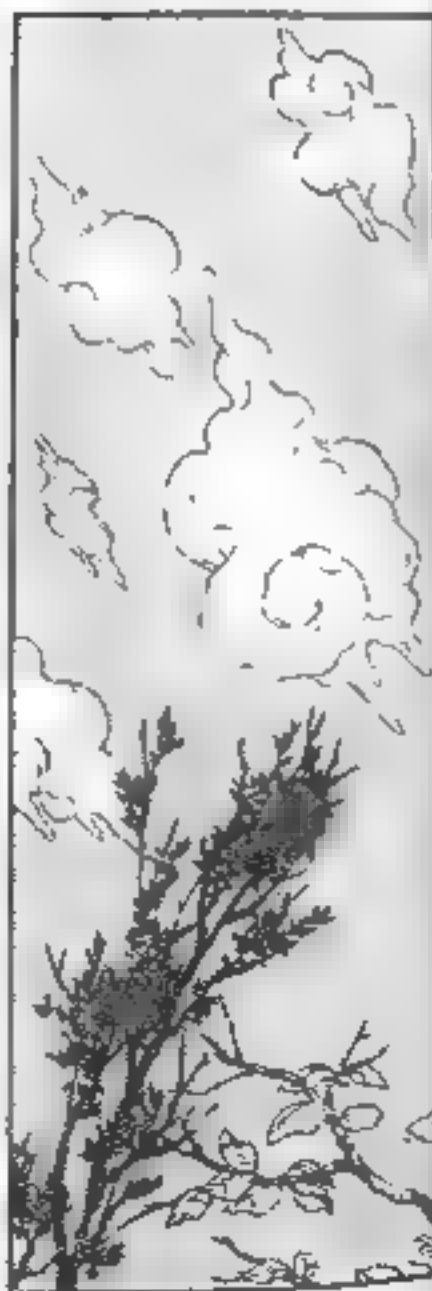

YOU LIVING PEOPLE
MUST TRY TO
GET DU WANG'S
PEACE FROM BACK
IN THE DAY AND
ITS DIGNITY
BACK!!

understand
this... but
I am finished
with my
story.

I don't
know if
you guys

don't try
to be a hero.
You are
getting
yourself
trouble.

I am very
surprised but
I will do my
best to help!

hope that
killer is
not a stand
user....

I understand
you.

I will
see what
I can do.

之其④

Rules?

In the meantime, you must never look back

after that mail box, go left for about 20 feet, you should see the exit

The exit is right ahead

let's not talk about my muder,

I was even worried that I might not get out of here ever.

Great!

exit!

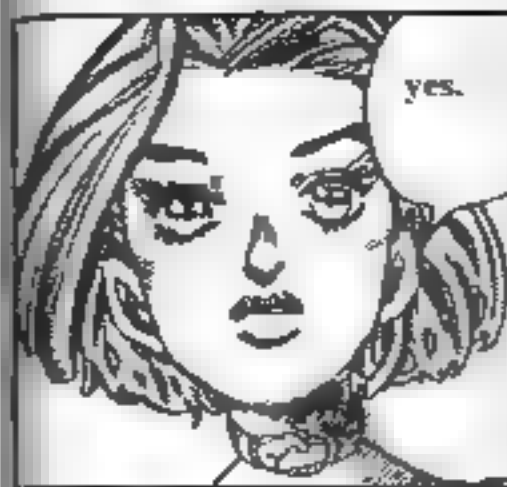

where?

turn left right there.

where is it?!

Kochi!

Before you go, I must tell you the rules

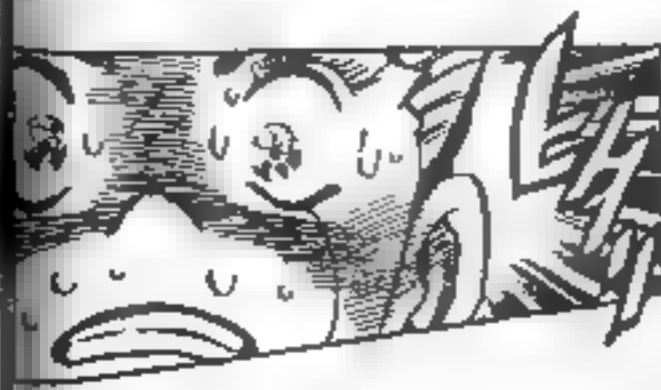

★「ヒタリ」即腳步聲「叭答」！

★「セハアアア」即「哈歌」！

I can't stand this!

that place with light, that is the exit!

something sticky and warm...

on my neck this time

嗯!!

Mr. Kishibe, let's run for it!!

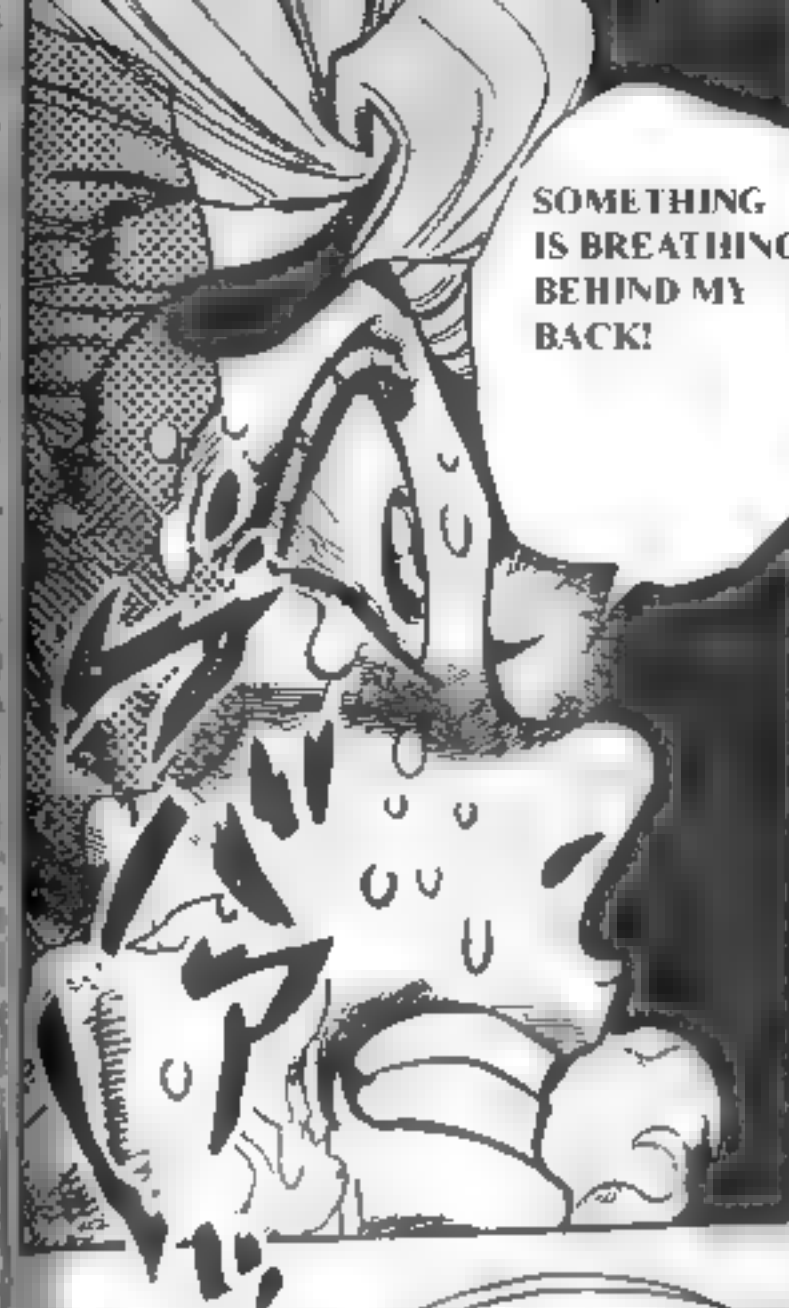

呀!

Don't run! you will fall!

SOMETHING IS BREATHING BEHIND MY BACK!

don't worry about it!

It might be sound, voice or wind, they are trying to lure you into the death world

If you don't turn back, they can't do anything

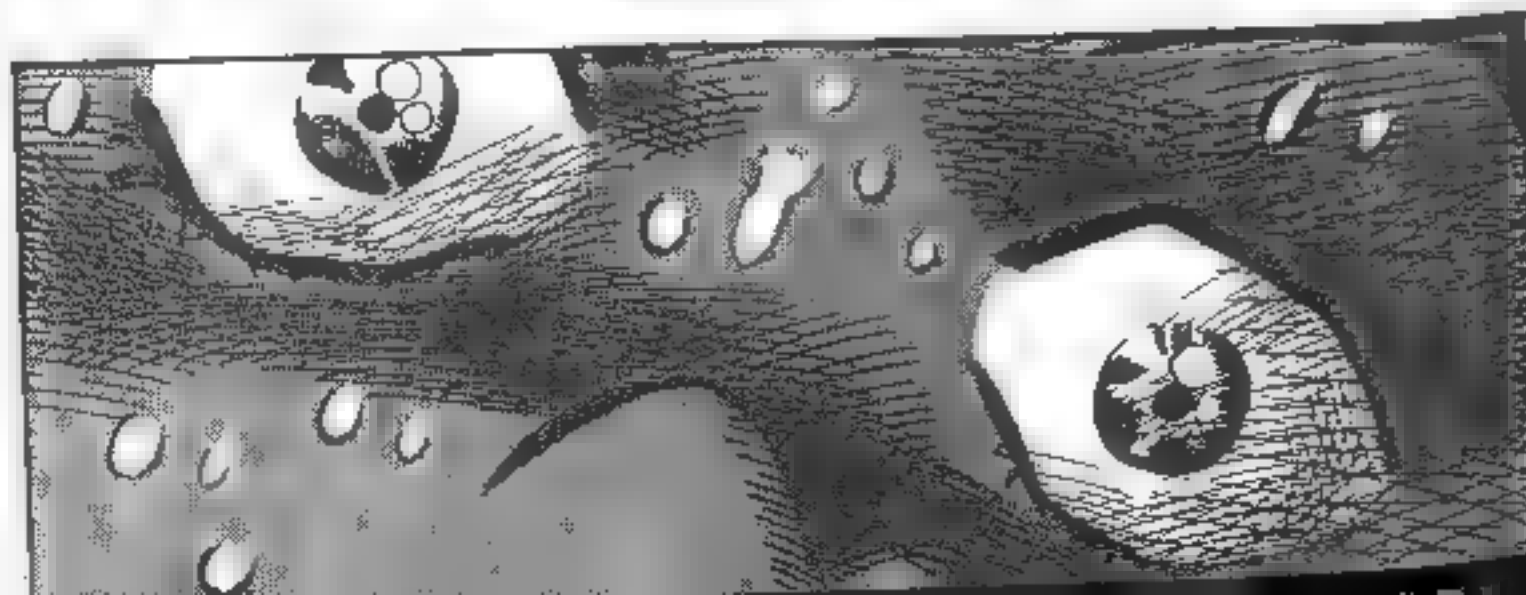

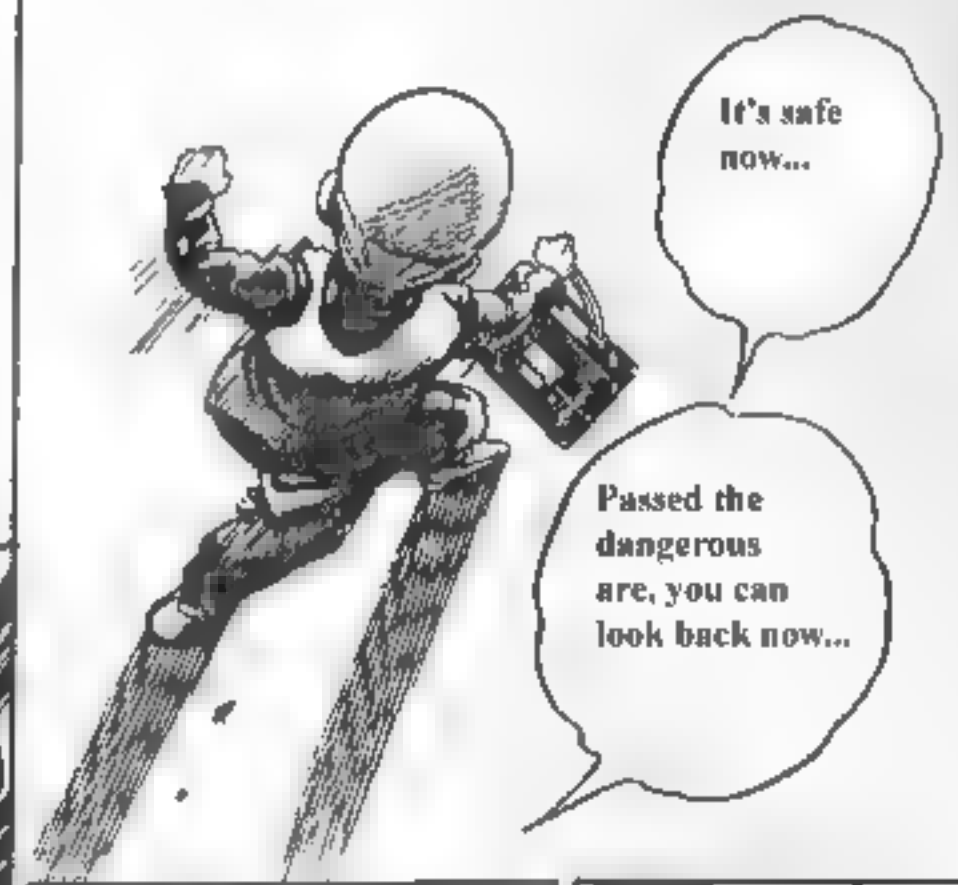

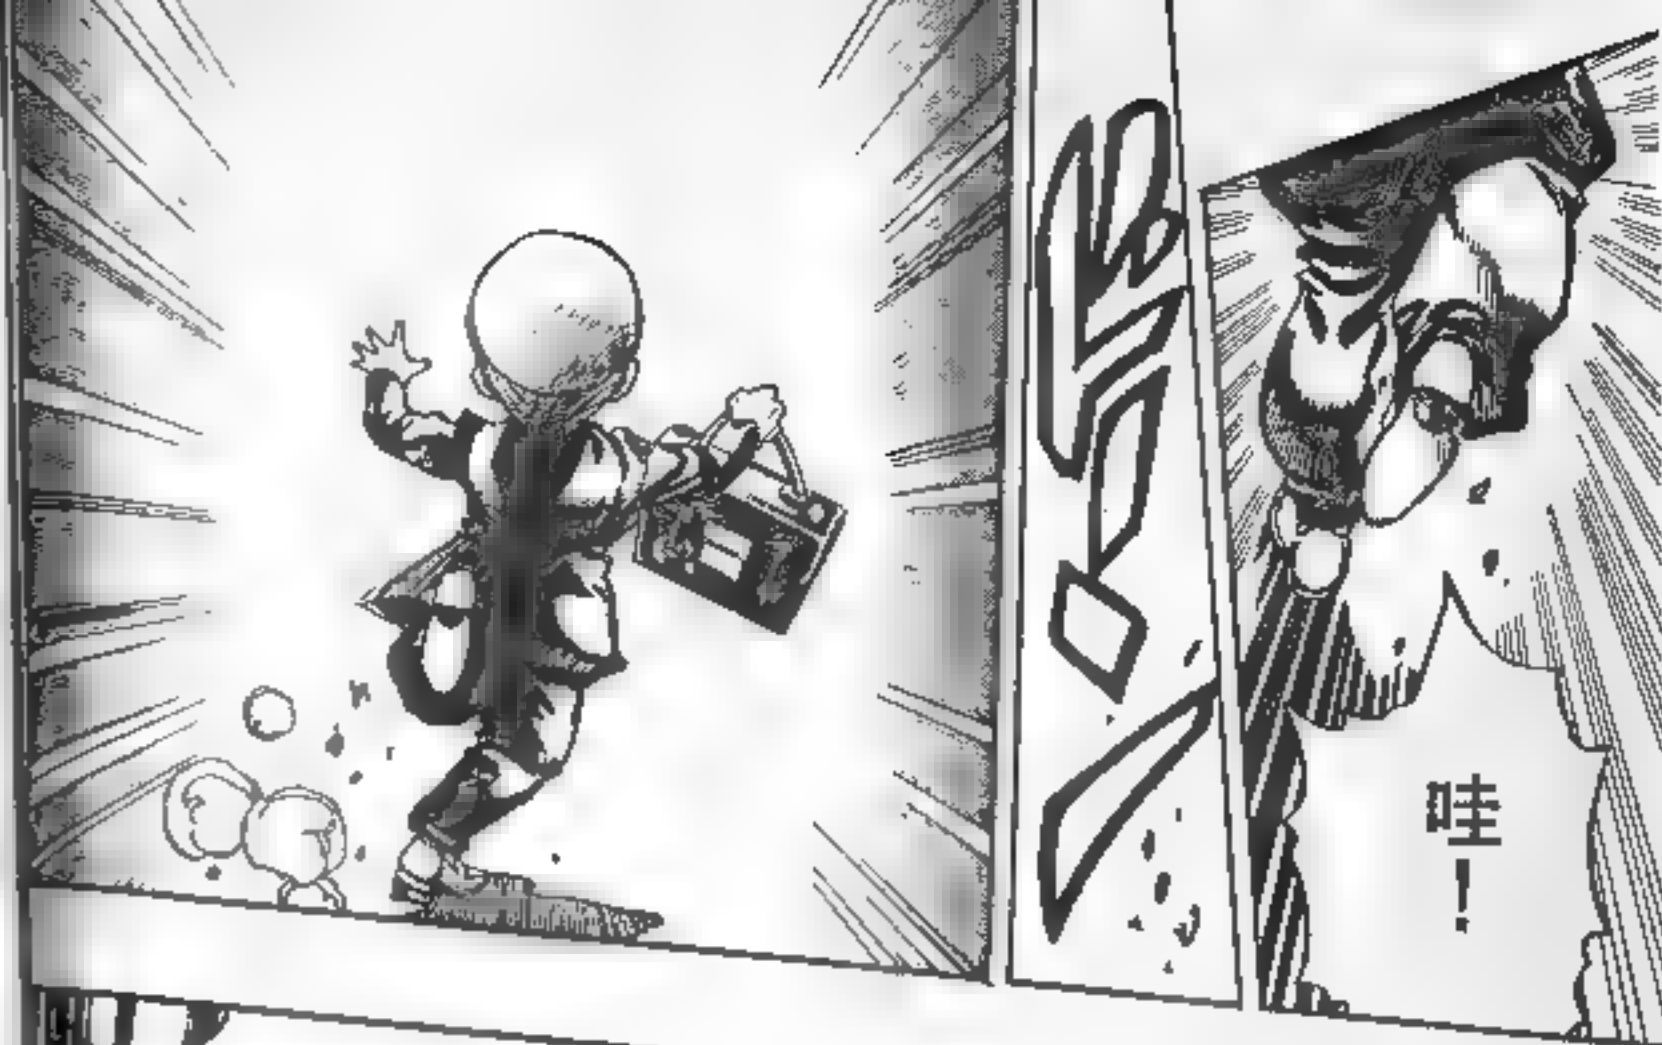

also behind me...

right behind me

can't see

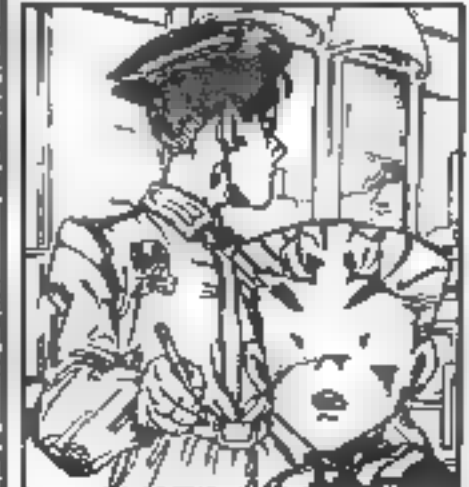

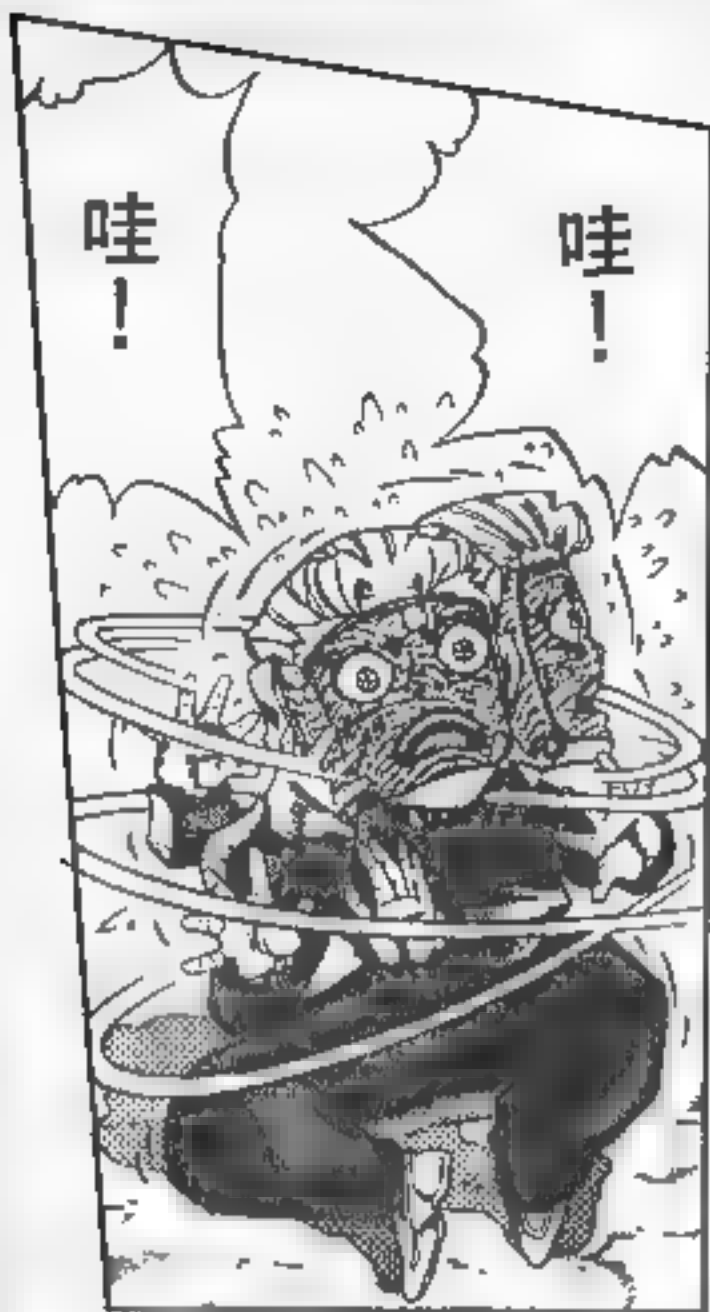

what is that? can you see anything from where you are at?

啊 哇
啊 啊
啊 啊
啊 啊
!

Reimi Sugimoto.....

but... forget it...

Make me feel very close to her...

That little girl calls me little Rohan...

Korchi

little Rohan

to see me

You can come any time...

and story about that killer also frightening

yea...

she said we can see her anytime, sounds pretty scary...

because she was trying all these 15 years to tell somebody there is a killer out there, trying to help the living

I really respect the lifestyle of that ghost

I really feel grateful

You guys were willing to listen to me...

Duwang's new point of interest: the ghost alley from Duwang station going toward the business district, get off at the 11th stop, there will be a alley beside Owson geocery store, most people don't pay any attention. Don't get lost there!

so not helpful

then it means there are no Mishimas around...

not on the map?

you better forget it.

city map doesn't show...

excuse me... Do you know any Mishimas living around here?

之其⑤

should have been born 15 years ago

I like her...

pretty

they will raise queries.

I think we should go talk to Jotaro and Joseph...

We also want to go visit that ghost

?

Then it's the business of the police and the court

If you don't know, we can't just go catch him, if he's not.

I don't know...

maybe he is...

no....

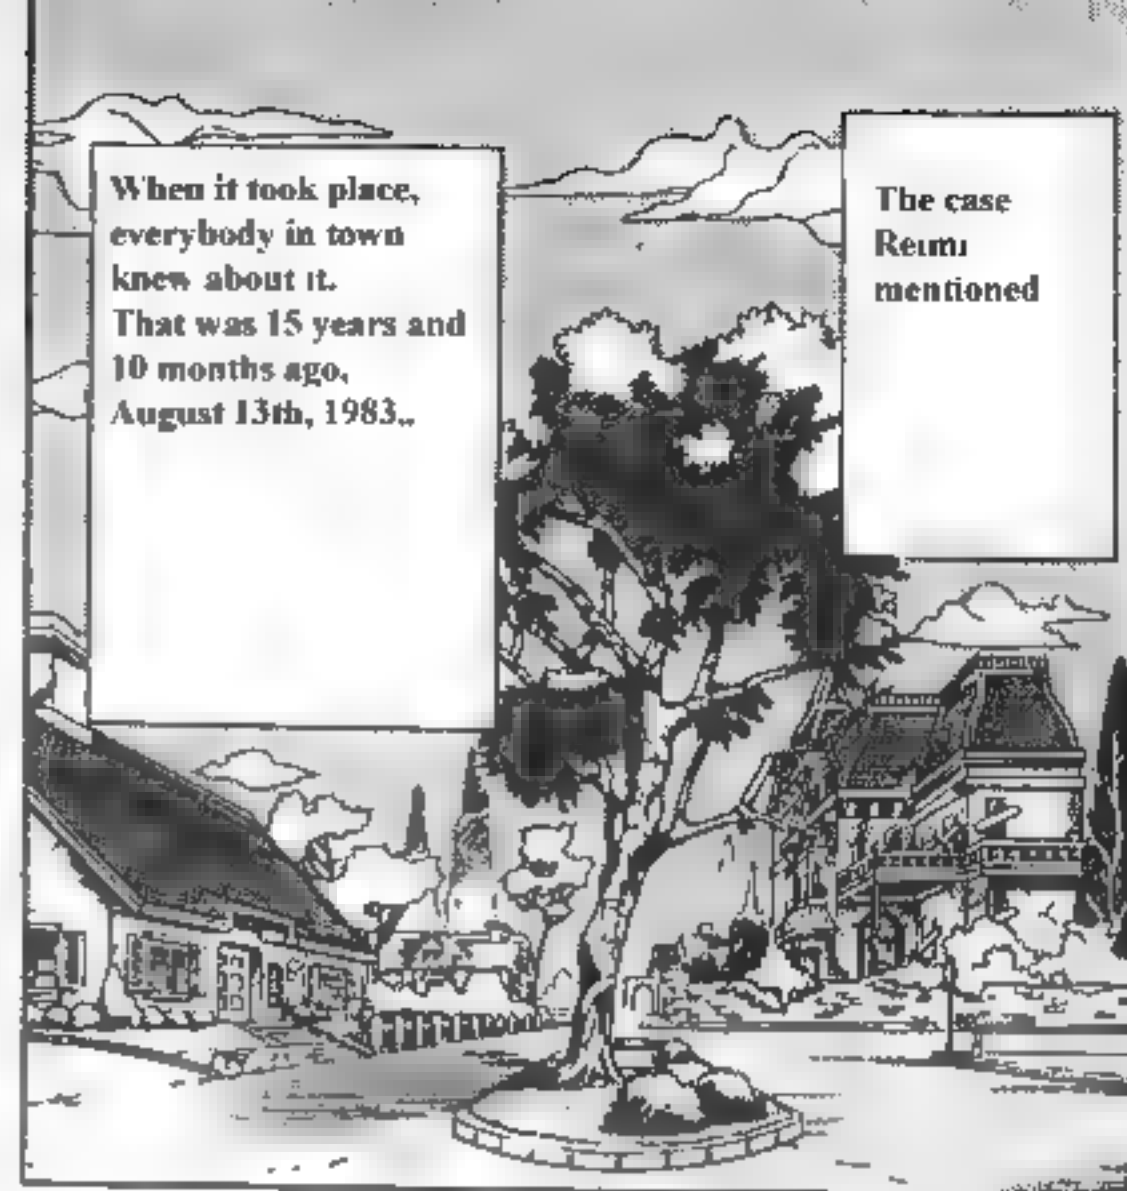

That killer, is he a stand user?

raise queries?

Can't find any evidence at the scene, can't figure out the motive of the murderer... this case has become on hold since then

When it took place, everybody in town knew about it. That was 15 years and 10 months ago, August 13th, 1983..

The case Reimi mentioned

The Reimi Sugimoto you mentioned, is she on this picture? she's the ghost?

Okay, you believe it?

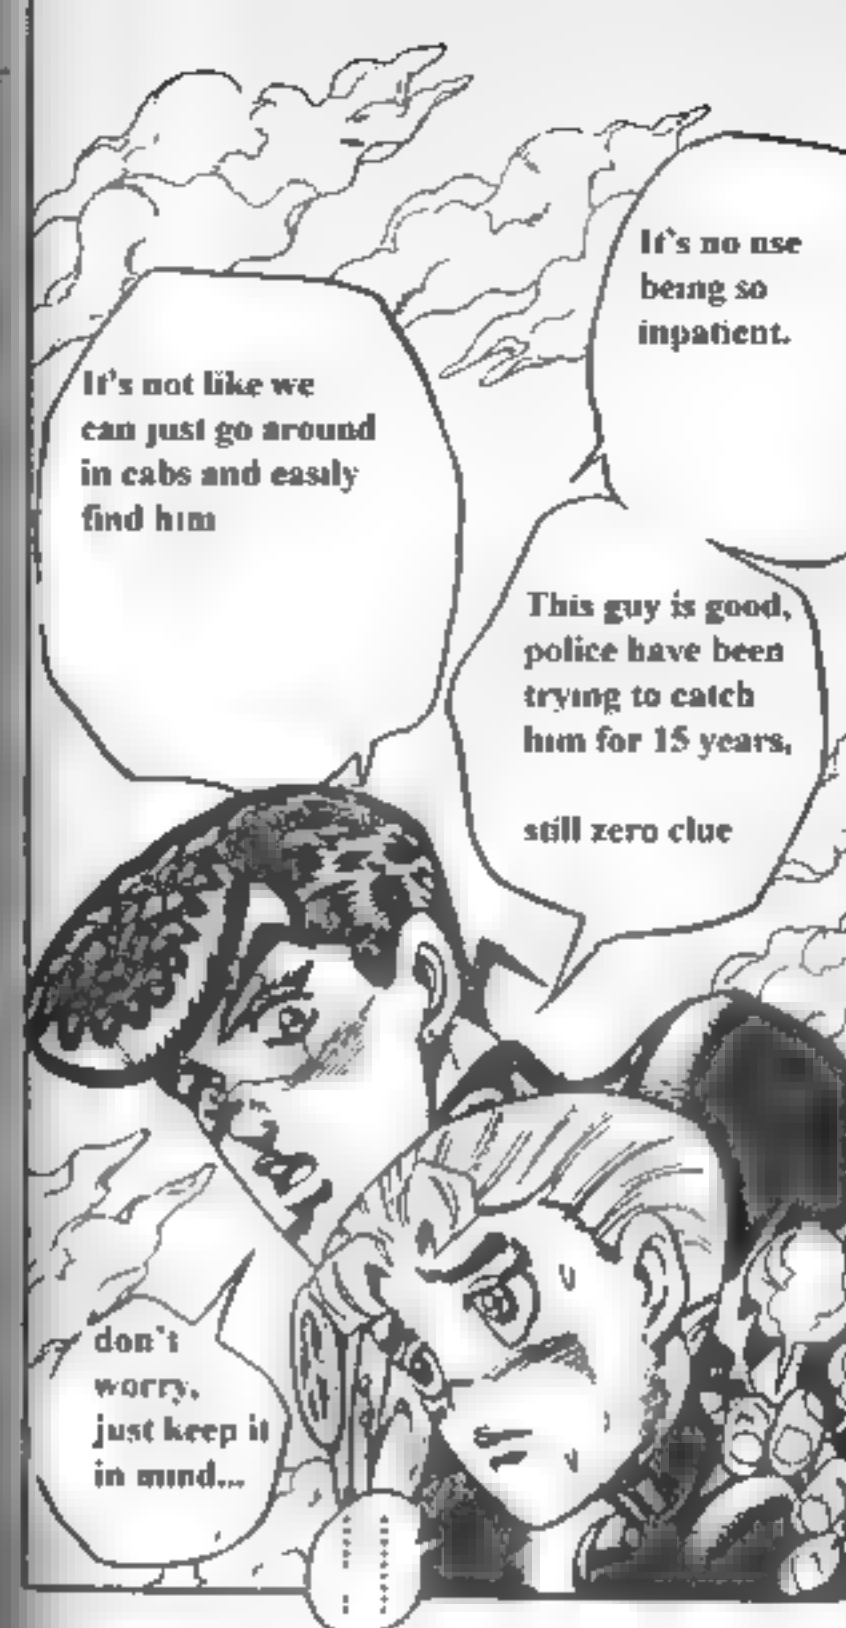

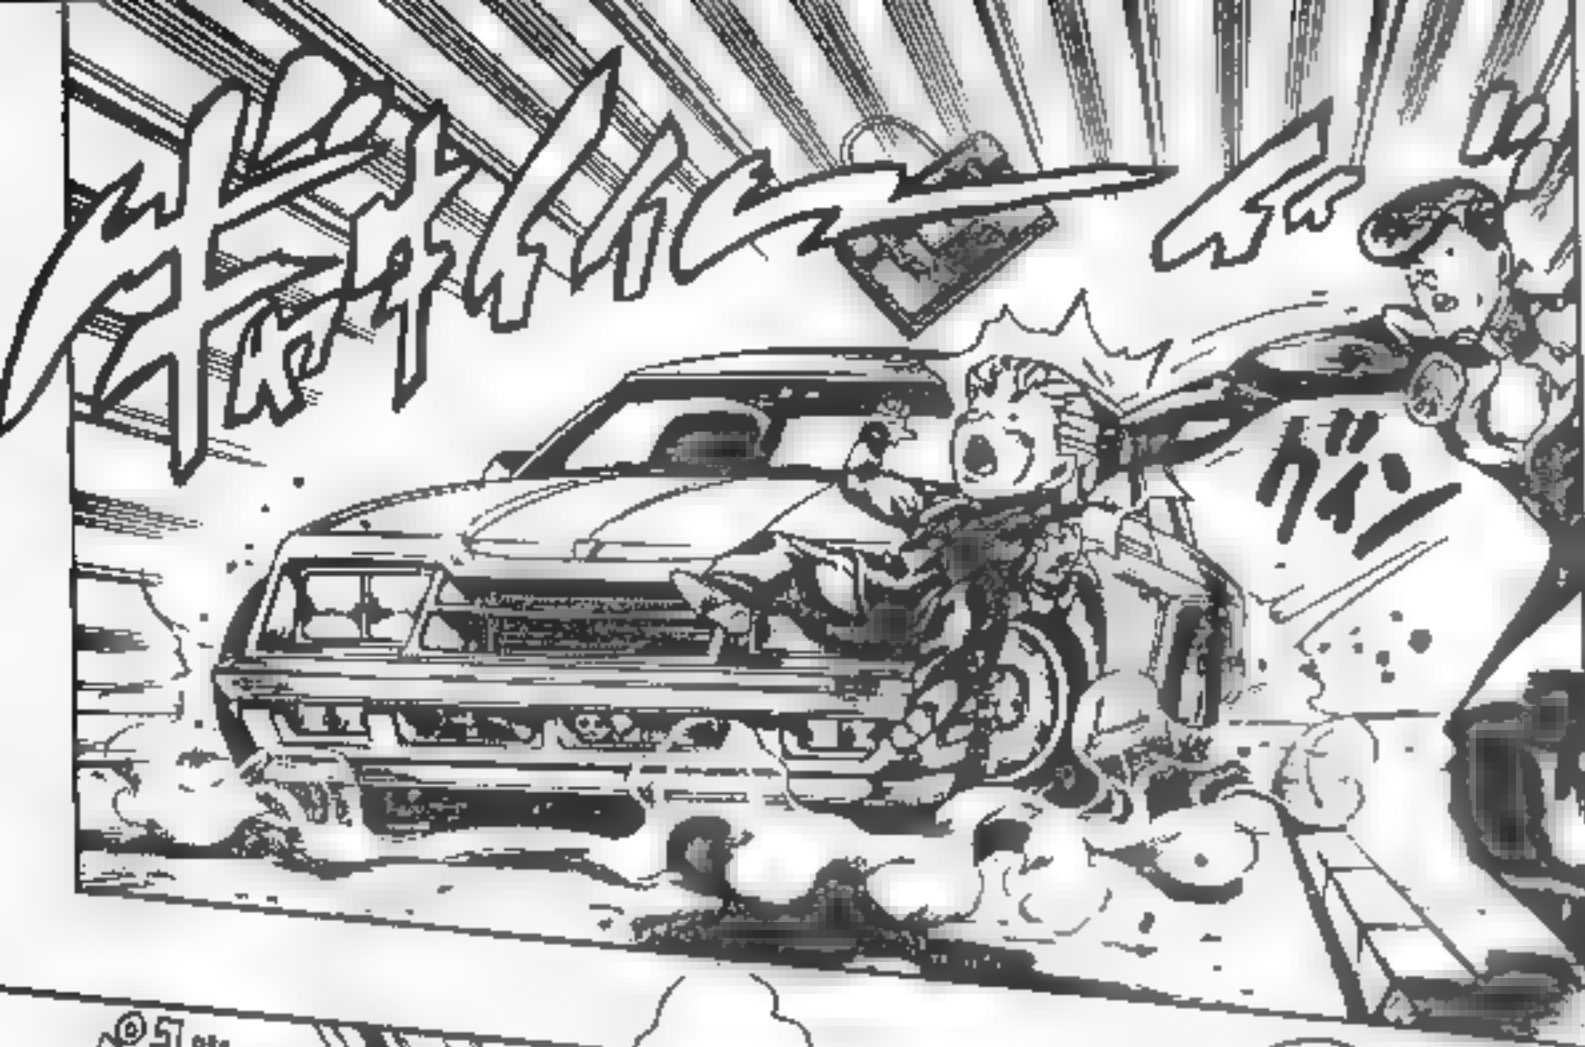

I believe what you said.

I know

I AM NOT LYING!!!

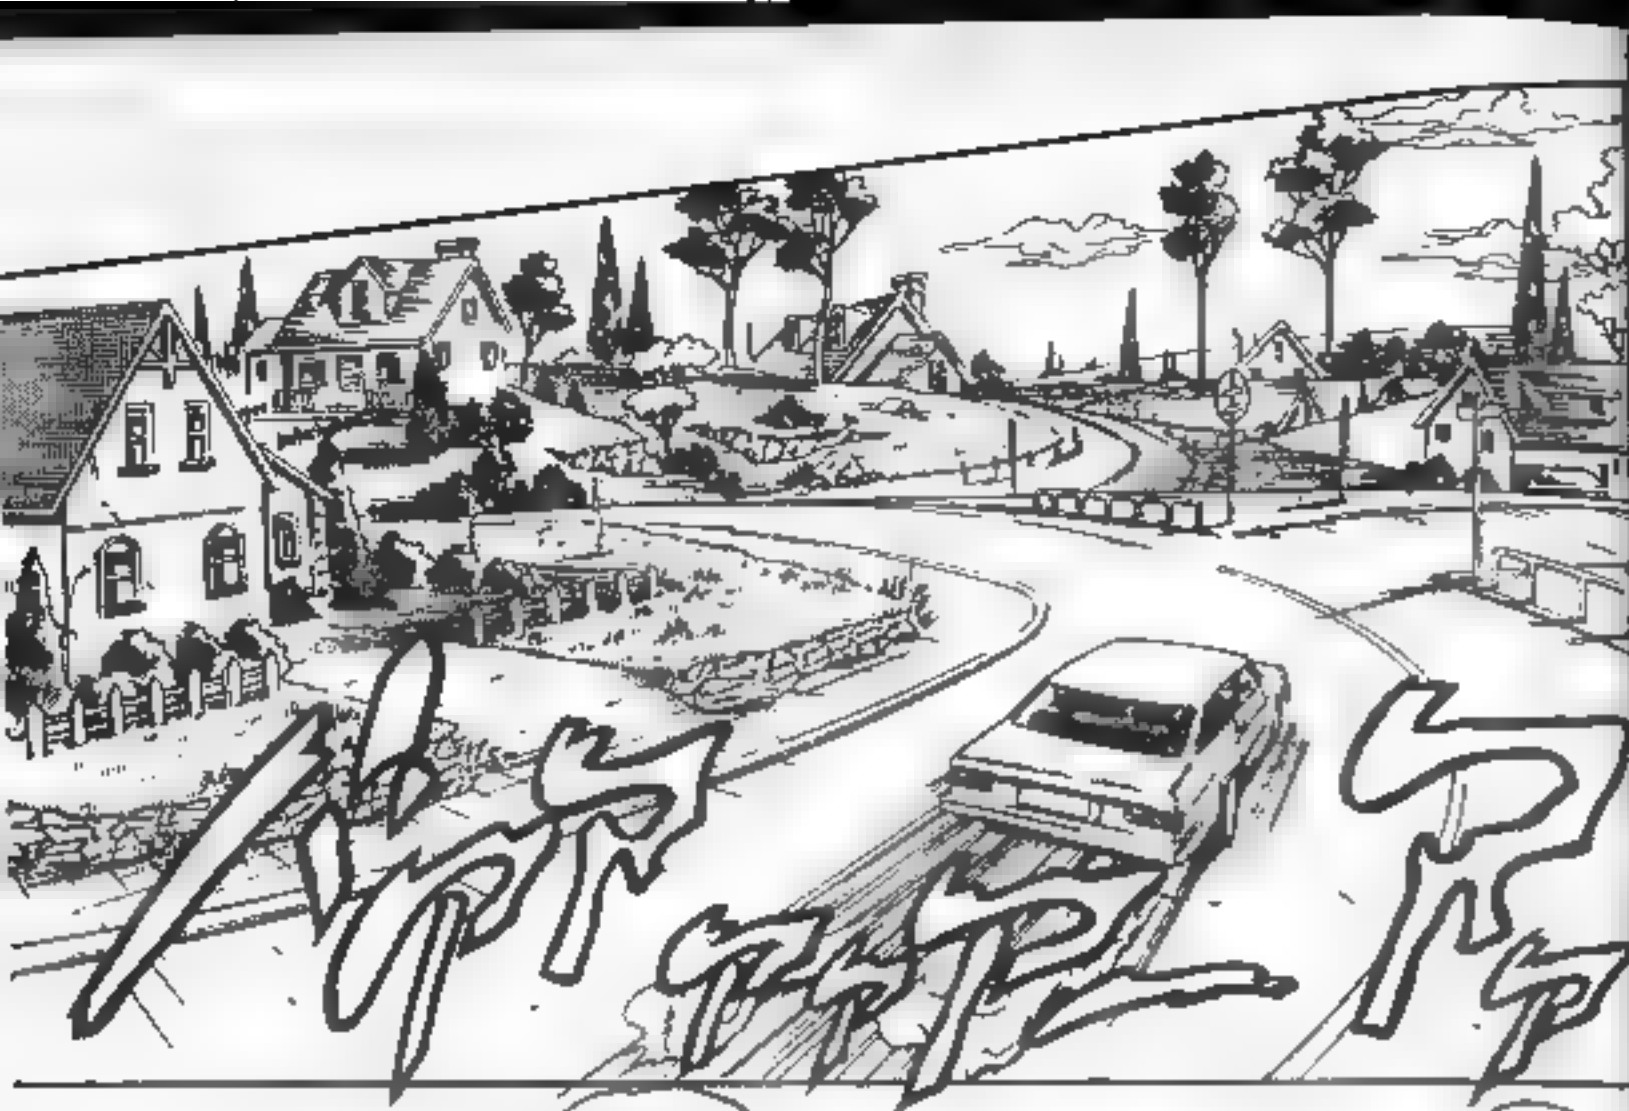

I REALLY SAW A GHOST!

This guy is good, police have been trying to catch him for 15 years, still zero clue

don't worry, just keep it in mind...

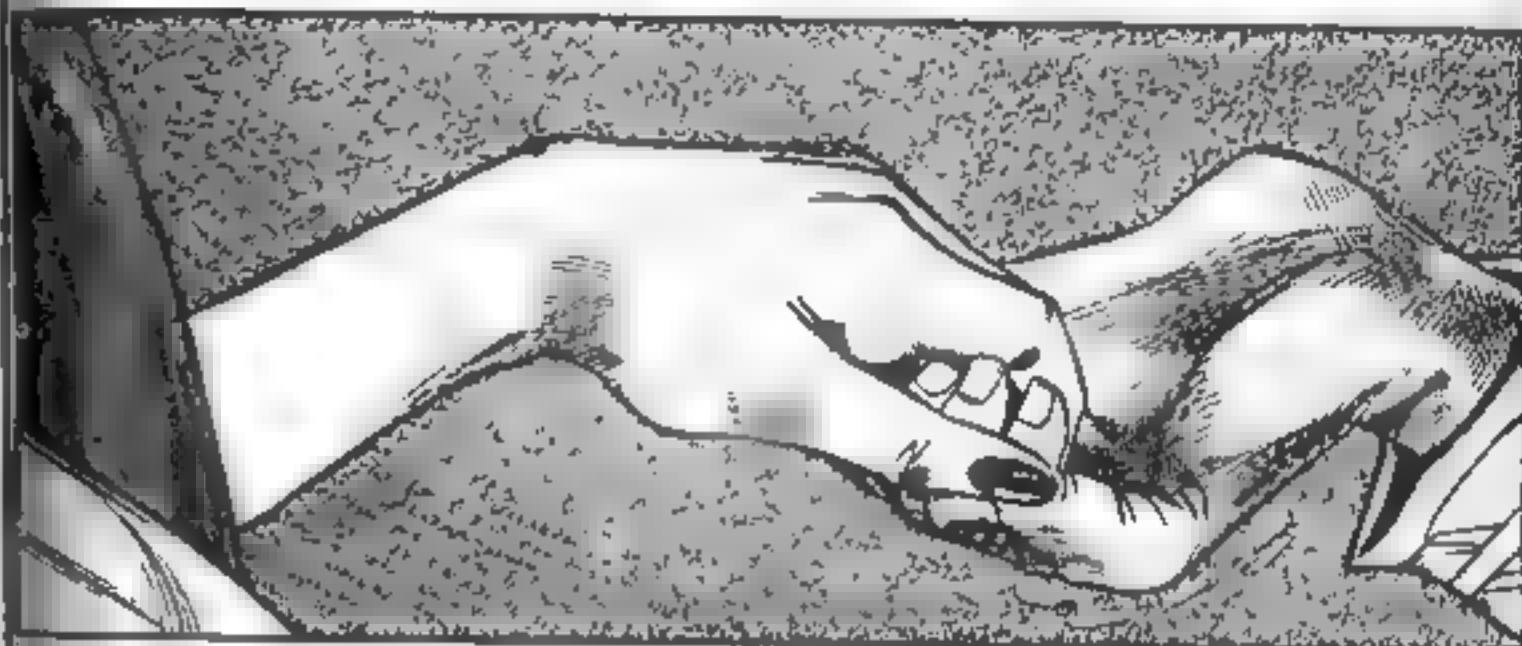

come on,
step out
carefully.

nobody
will see
you.

Is this your
first time
going to a
guy's house?

what's
wrong,
feeling
shy?

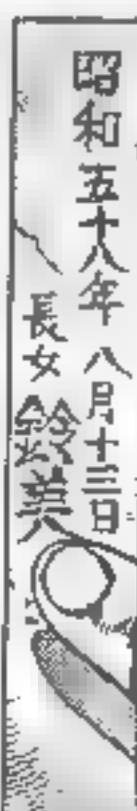

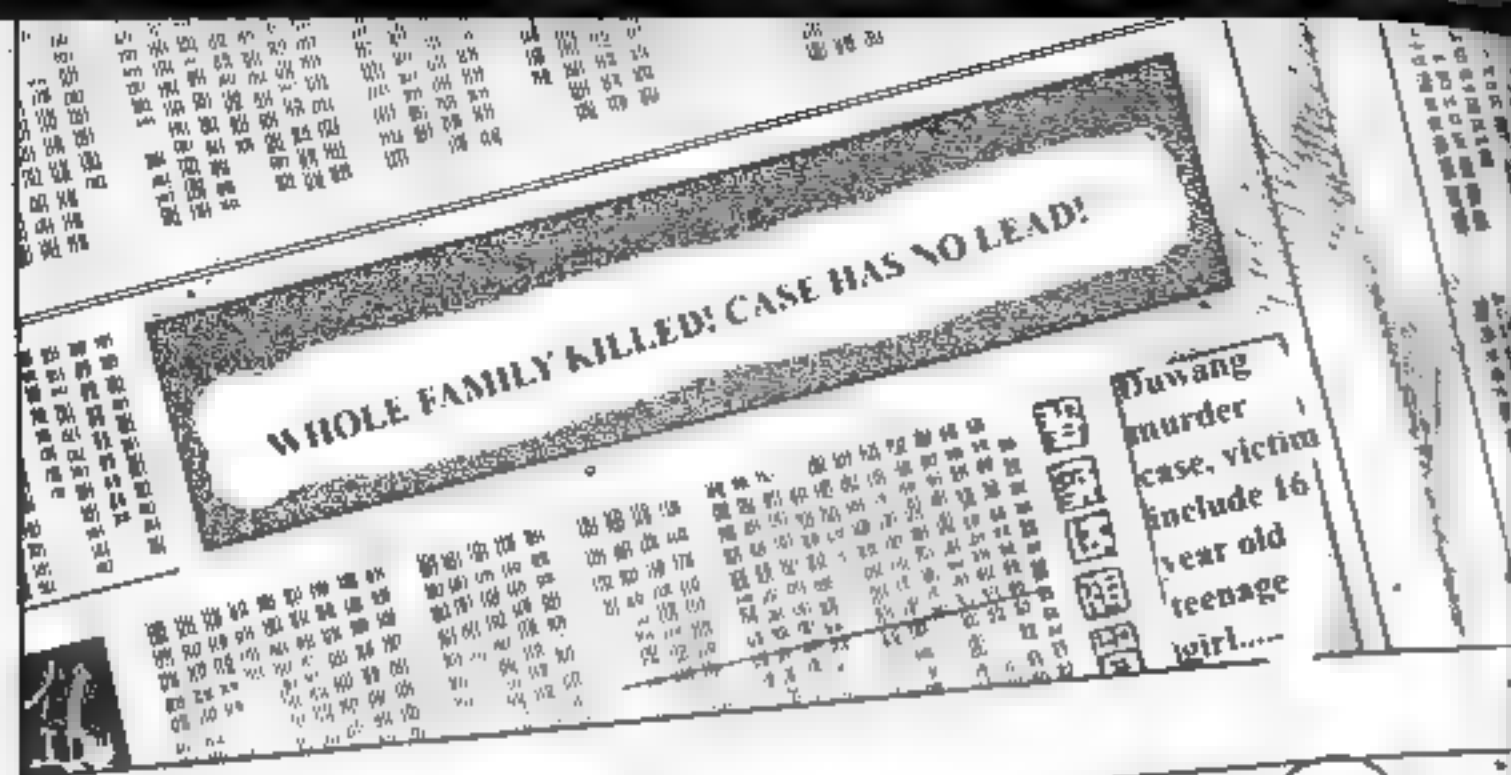

Only
you and
me

we can
have
some fun!

This
weekend

It just occurred to me that I don't remember your name.... forget it, as long as it's wiped clean...

you know
what you are
talking about?

my family?

I came to Reimi's
tomb...

what are
you saying?

I came here
just to collect
some information.

you
don't
remember?

no...

I mean didn't
come to Reimi's
tomb for that?

my
parents?

Your
parents
didn't tell
you that?

You were only
3, 4 years old,
you might not
remember that
thing.

Rohan...

you are the
one being
different,
what are
you
saying?

it seems we
are talking
about different
things.

wait
a
minute

It is really you!
I read about you
in the magazine!
heard you moved
to Duwang recently!
that's great.

哇啊
~~~~~  
!

You are the  
comic writer  
Rohan Kishibe?

oh,  
maybe  
you are...

hmm.... I  
remember the  
Sugimoto  
family incident.

your  
family....

!?

my grand  
son collect  
your comic,  
they are  
pretty  
good....

嗯 嗯

you  
know me?

heh...

You know  
about my  
childhood?

no

I don't  
mean  
that.

You were only  
4 years old then..

So they took  
you to the  
Sugimoto's for  
babysitting.

you were  
the only  
survivor

that night,  
you stayed at  
Sugimoto's  
overnight.

at the  
scene?!

I was that  
day....

don't be like  
this, just tell  
me, don't make  
me make you  
to....

your parents  
didn't want  
you to know, you  
think I should  
say?

hmm...  
looks  
like

wait, you mean...

THAT THING IS  
REALATED TO  
ME?

Maybe  
because this  
thing is too  
serious, they  
don't want to  
impacce the kid,  
I understand.

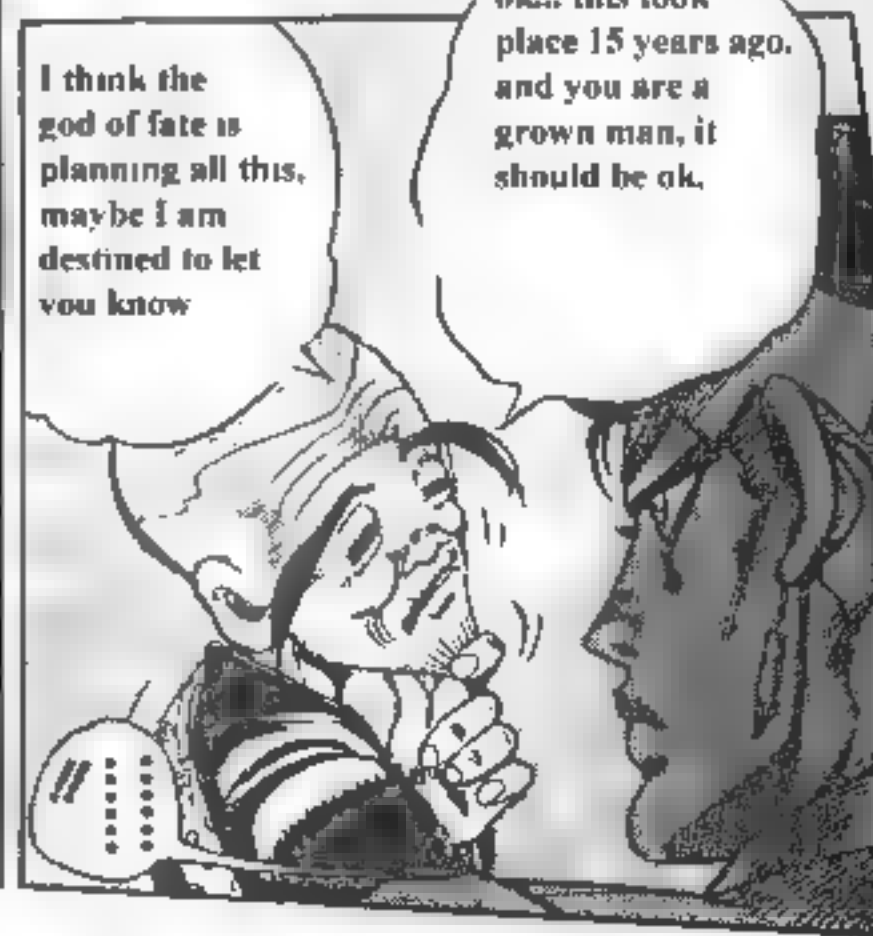

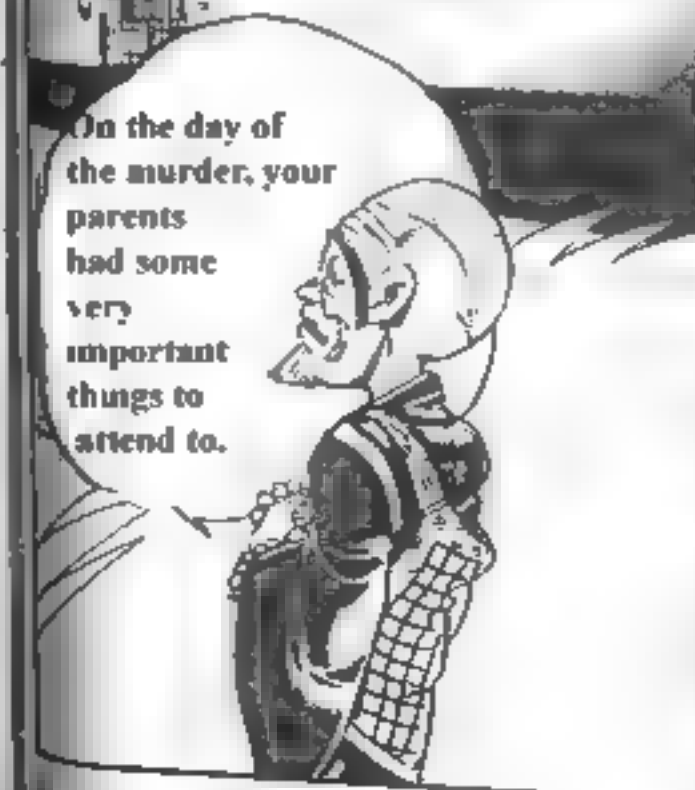

back then,  
your house  
was really  
close  
to the  
Sugimoto's

On the day of  
the murder, your  
parents  
had some  
very  
important  
things to  
attend to.

I think the  
god of fate is  
planning all this,  
maybe I am  
destined to let  
you know

ok... this took  
place 15 years ago.  
and you are a  
grown man, it  
should be ok.

if the amount is lower than 100 yen, we don't have to take it to the station, so in the drainage pipes, under the pop machines, there must be a lot of money.

**I also noticed something very odd...**

of course  
we bought it  
here. We can't  
go to Toyko or  
Osaka to get  
it right?

**No, it's not  
like we not  
answering.**

we don't  
have an  
agent here  
in Duwang.

this is getting more confusing...

**This name is different from the names you three wrote just now.**

郎 森下

we  
bought it  
when we  
were at  
Seiko...

no, maybe  
it wasn't  
Dawang..

oh, yes

right, right  
right right....

**We bought too many tickets, we can't remember where we bought them, right? Fatty, Okuyasu?"**

森下一郎  
1774-428

This is the info of my friend, I just jotted down on the ticket in case I forget.

yea I just remembered

This ticket belong to you guys, right?

hmm... isn't this strange?

嗯 嗯

then I am gonna call this guy and see if he knows you...

is that right?

啊

Then it's necessary to investigate the ownership of this ticket.

If this guy doesn't know you, or remember buying this ticket at a different agent.

there are numbers on the ticket from which you can tell where was this ticket sold.

Maybe we will have to bring police in ...

I am from the Grapellull bank. I am curious if you guys have bought any lottery tickets?

yes

Police?

Yes, I did

I bought  
10 of them

them won  
anything

You bought  
the lottery\*

that  
of course!

you are right  
Josuke! this  
time we can't  
let him swallow  
up all  
the money!

YOU PROMISED  
YOURSELF TO GIVE  
ME HALF! I ASK FOR  
HALF, THAT'S ALREADY  
VERY REASONABLE!

HOW DO YOU  
SAY SOMETHING  
LIKE THAT?!

SHUT YOUR  
HOLE, YOU  
FAT STUPID  
PIG!

But this thing  
is very troublesome  
this 5 million is  
only a check.

sorry,  
Okuyasu  
shouldn't  
have hit  
you

no use explaining  
to him! just have  
to beat people like  
him, otherwise  
he won't  
understand!

let's don't  
do this,  
how can  
you just  
punch him  
like this?

If someone  
sees us, they  
will think we  
are trying  
to rob him

So let  
me carry  
it for  
us.

are you  
hurt?

唔唔

HEY!  
OKUYASU!

唔!

啊!

He seems to have  
some kind of  
crave toward  
money

Normally  
people will  
try to do this

But we will not  
let him take it  
this time,

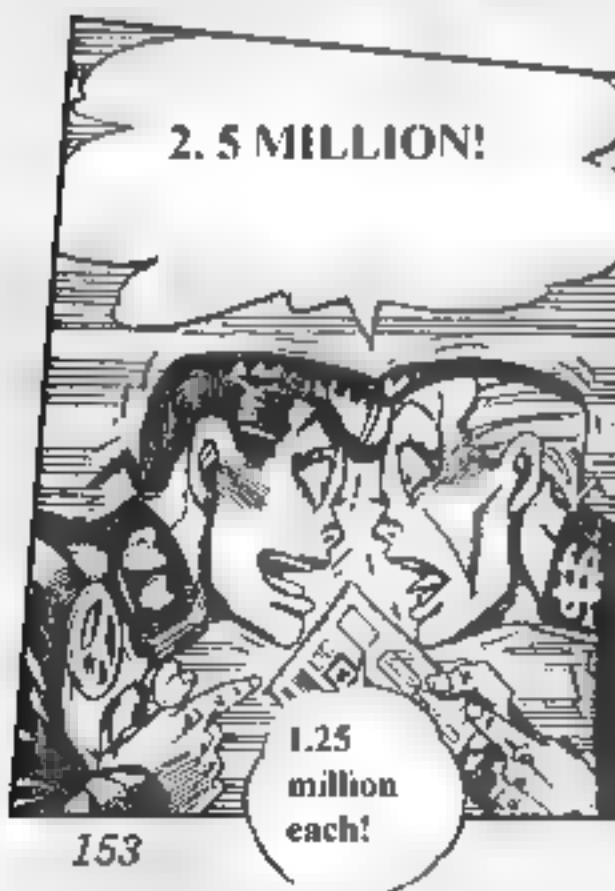

But we did  
use him, we should  
think about this...

Fatty said  
we are  
friends

But I don't  
want to  
be friends  
with him!

what  
friends? we  
are enemies!

2.5 MILLION!

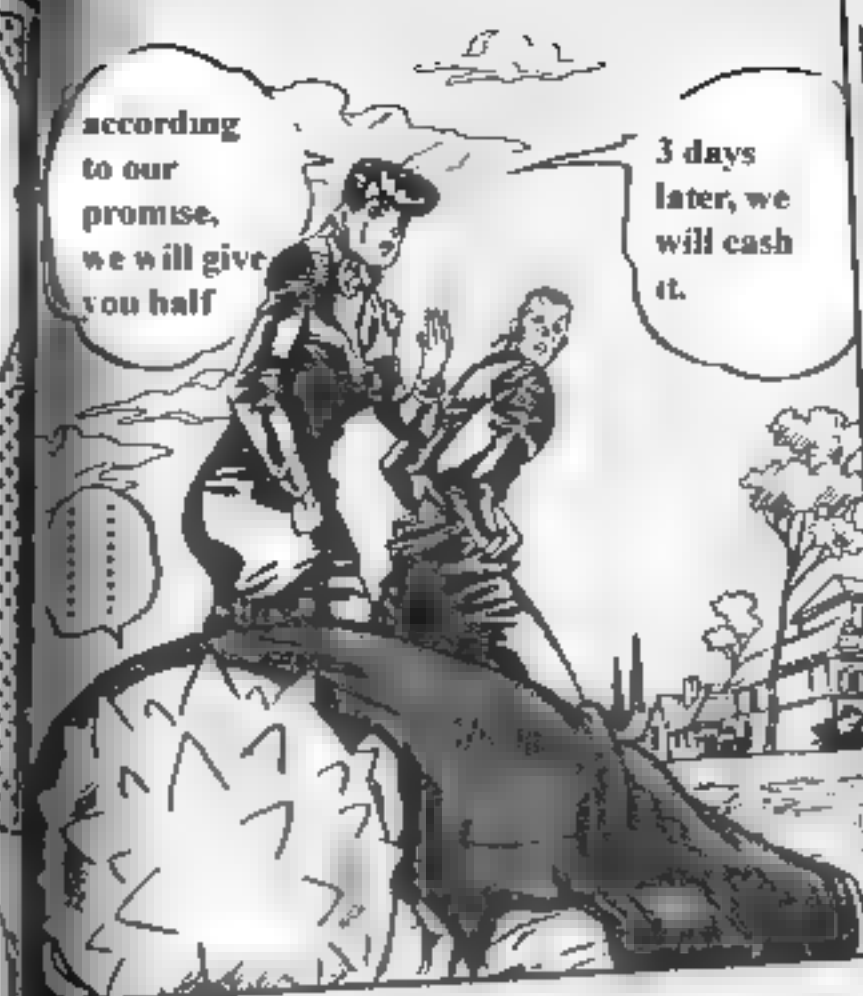

1.25  
million  
each!

without us, he  
can't get his  
much money.

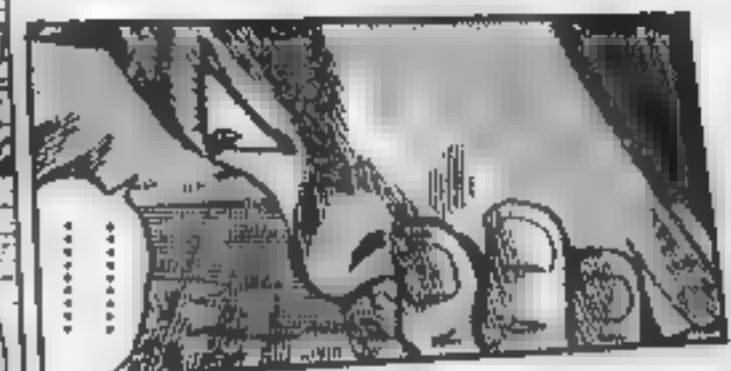

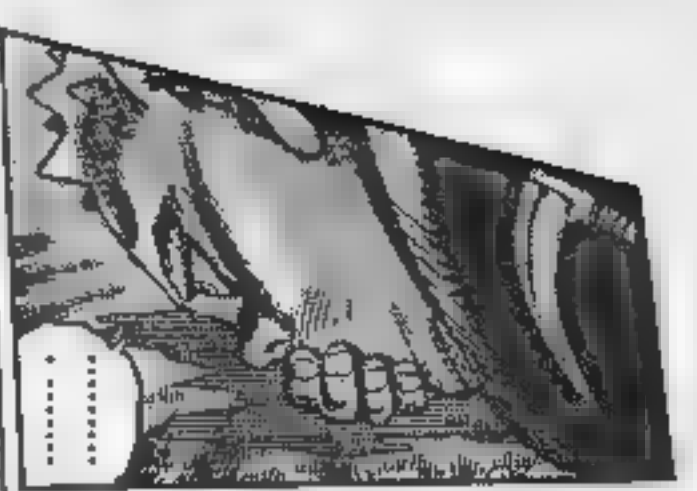

that's bull  
I don't  
think so!

he just collect  
little money here  
and there, now he  
can get 2.5 million  
all of a sudden  
all because of us!

according  
to our  
promise,  
we will give  
you half

3 days  
later, we  
will cash  
it.

this sort  
of thing.

hey Josuke

thing

I told  
you

FATTY!  
give me the  
5 million  
yen check!

give it  
to me

I can still forget  
about this now,  
if you surrender,  
I will give you  
only 2, 3 punches  
maybe...

hey,  
I am really  
mad now

If you continue  
to pursue me,  
I will kill you  
2

OK! YASU, BE  
CAREFUL! HE  
DID SOMETHING  
TO OUR BODIES!

You still haven't  
noticed? you are  
already drunk

嘻

My Harvest collects  
anything, just now  
we passed a liquor  
store so I snatched  
this bottle, and used  
Harvest to inject  
the alcohol into your  
body!

哦唔

唔唔

!!

you  
also?

hey.  
Okuyasu...

what?  
my  
hand

what is  
this?

I can't  
stand  
up

Yes. Please accept this and forgive Josuke.

Okuyasu, you are so honest I believe you and accept this money!

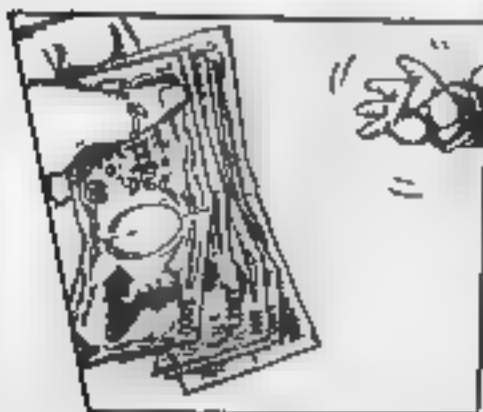

That's what I gave you before for our friendship!

oh, I remember

You are trying to lure him closer, can't believe he can think of such an idea at a time like this... can't understand that guy sometimes...

Okuyasu, I understand

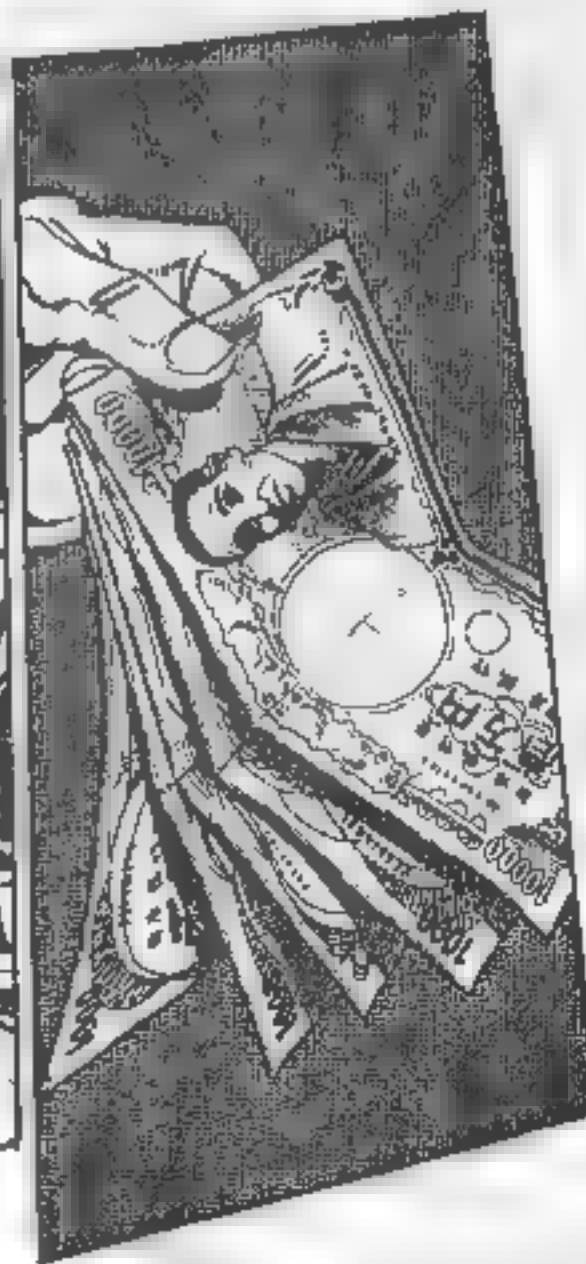

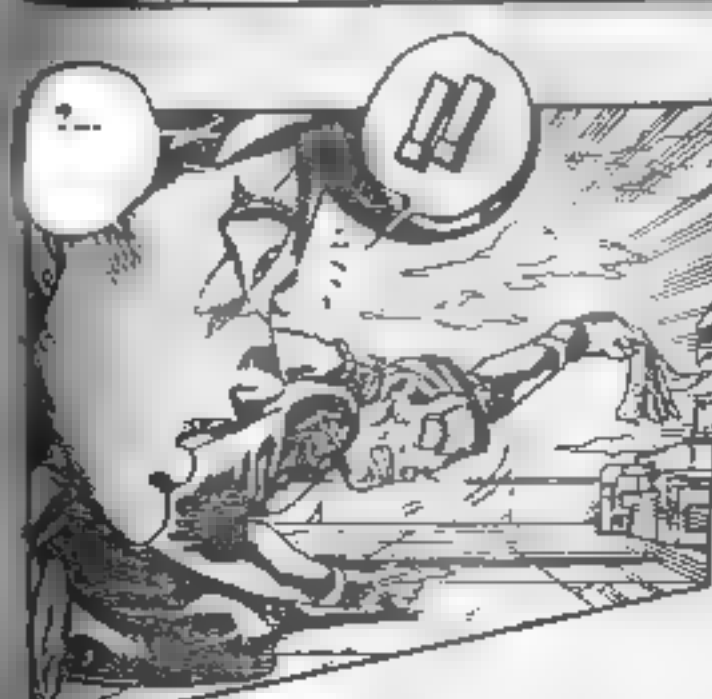

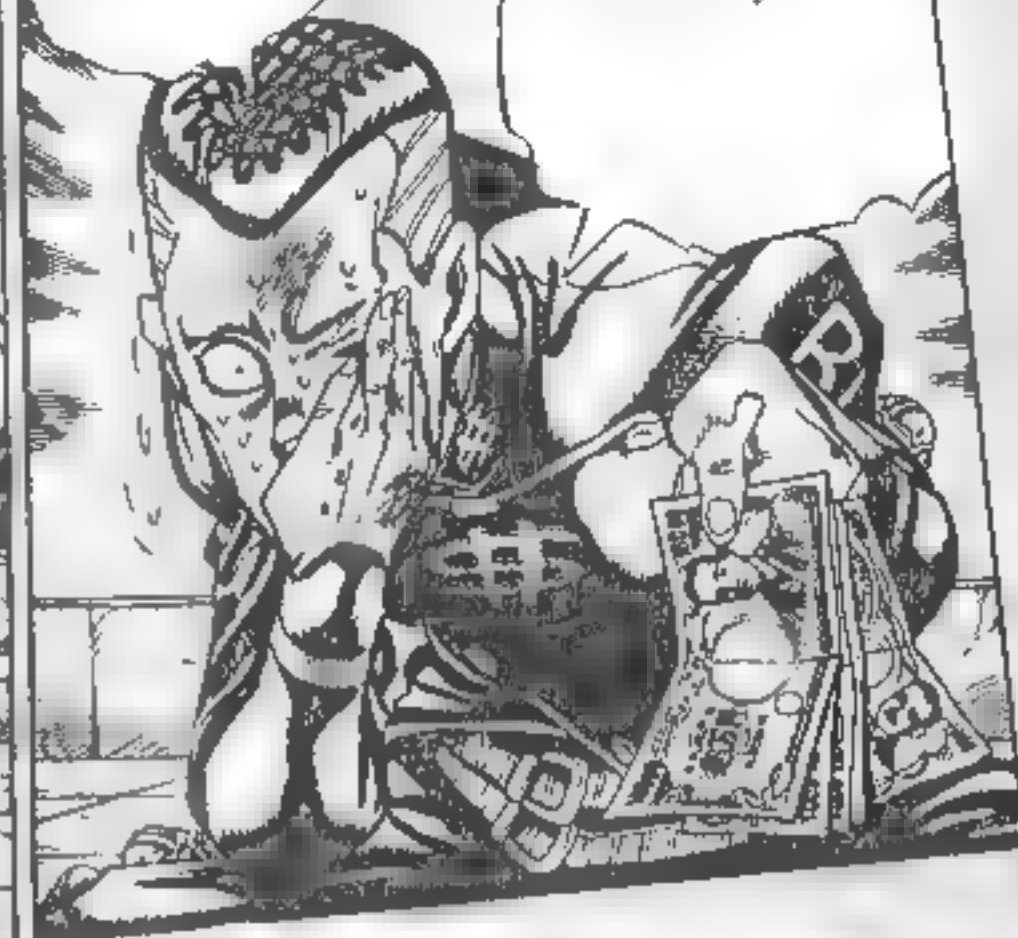

heh heh...

that was  
close,  
close!

I really  
guessed  
it!

Okuyasu, are you  
trying to lure me  
closer to you and  
try to attack me?

No wait!

took it  
back,  
what do  
you say?

you are still  
locked by my  
Harvest, you  
still can't go  
anywhere!

we got  
it back!

I CAN TAKE  
THAT CHECK  
BACK REALLY  
SOON!

You just  
don't  
realize  
it.

You will definitely  
lose this time!

唔!

HAVE  
FLOWN

is nothing  
you can do!

WHAT THE  
HELL ARE

You have sent all  
your Harvest boys  
out, then you will  
definitely lose

you haven't  
learned  
your  
lesson

another  
word...

GO  
HARVEST!  
GO  
COLLECT  
THOSE  
PIECES!

it's Okuyasu...

eh?

MASTER!

and who took the check from your hands just now?

right, It is me Master Josuke

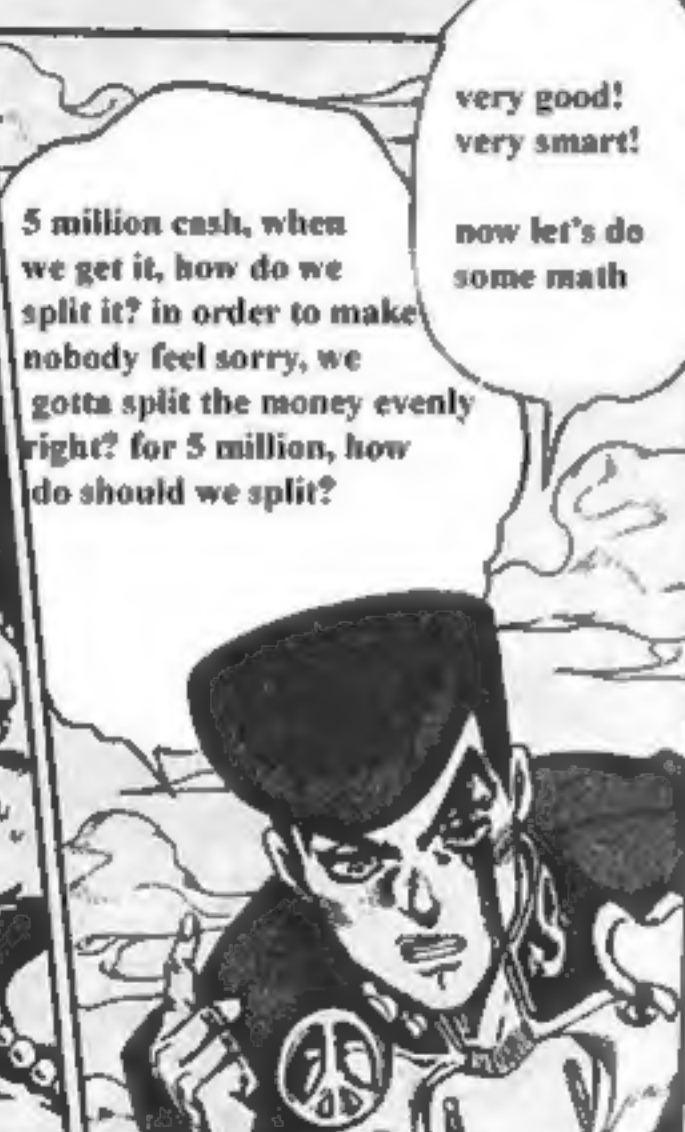

HALF?!

THERE ARE 3 PERSONS HERE DIVIDE FIVE MILLION EVENLY BY 3, HALF IS NOT REALLY RIGHT IS IT? TRY AGAIN!

give you guys half

very good! very smart!

now let's do some math

5 million cash, when we get it, how do we split it? in order to make nobody feel sorry, we gotta split the money evenly right? for 5 million, how do should we split?

No, I was wrong

if not for you guys, we won't get that winning ticket

but....

I collected all the ticket

split it into 3 even shares

Ok done

唔呀! 唔呀!

唔呀!

say that person's name, who can restore that check?

who's stand can restore that check?

it's.... Josuke

master Josuke...

YOU HAVE TO CALL ME MASTER JOSUKE!!

NOT LIKE THIS!!

FATTY

From now you gotta be careful

Your Harvest did go to find all those pieces but even if they retrieve all those pieces, you still don't have a check for 5 million

My Harvest  
I have about  
500, you each  
have 1, so let's  
split it up  
502 more shares

If everybody  
feels sorry,  
then we  
should count  
the stands  
in too...

finally got  
the cash!  
this is like  
dreaming!!

Yahoo!  
of course!

wait,  
evenly...

feel  
sorry

no!

YOU  
WANNA  
DIE?!
